Fairview Intermediate School

Dedication

The Lafayette School District has been enriched for the past twenty years by the services of Mrs. May Summers. To this educator and friend, the TALON staff is proud to dedicate the 1966 edition of our yearbook. It is not only the students of Fairview who are indebted to her but also the residents throughout Lafayette.

We feel that if there were a mold for the ideal teacher Mrs. Summers would fit it perfectly. Her patience and understanding are far beyond average, while her sense of humor is evident throughout all her classes. Fairview has been honored and enriched by her presence for the past three years, and now that she has chosen to leave us, the students of Fairview would like to thank her again for all she has done for so many people. Thank you Mrs. Summers, thank you very much.

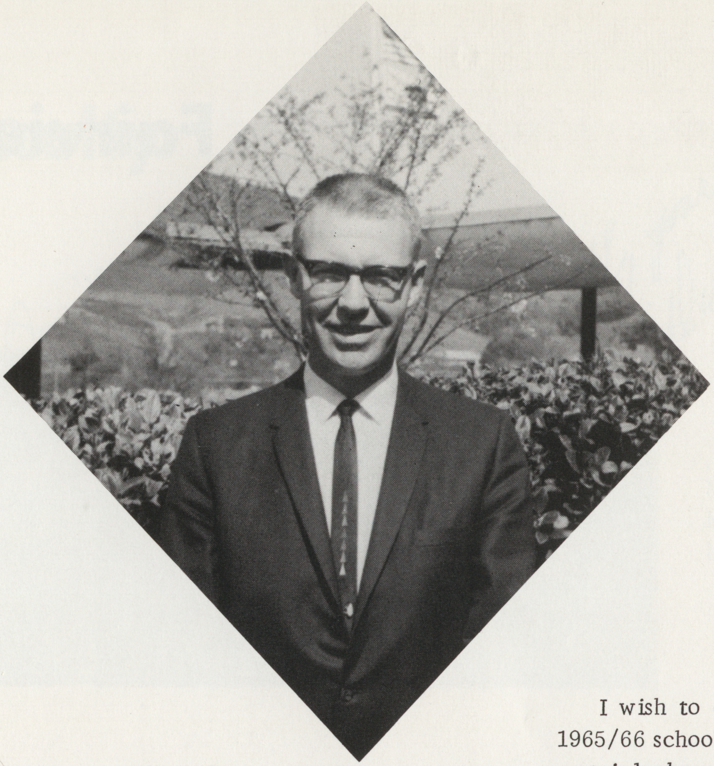
Lafayette School District Governing Board



I wish to congratulate all of you for a most successful 1965/66 school year. In my estimation our eighth year has certainly been one of our most successful years in all ways. I feel that school spirit has been high and cooperation and participation excellent.

Academically, we the staff at Fairview feel that once again we have had an outstanding year. We trust that you, too, have felt the past nine months have been as successful as we do. If so, those of you going on to high school should be ready for your next step up the ladder of education and will certainly be fine additions to the high schools you will be attending. Those of you returning to Fairview as eighth graders should be ready to fill the shoes of our graduation class of '66. We are counting on you for leadership in September.

In closing I wish to compliment the staff on a job well done and to wish all of you a most successful and relaxing summer.

Mr. Collins.

Dear Mr. Lilley,

You certainly may have permission to use the "Peanuts" characters in your forthcoming yearbook. I am sorry, but I simply do not have the necessary time to make a special drawing for you. Perhaps you could use the enclosed group portrait of all the characters in some way.

Kindest regards.

Sincerely,
